

Howth Financial Services Ltd. Meeting Process

Our priority in this uncertain time of Covid 19 is to the health and well-being of our staff and clients. Although restrictions are beginning to relax slightly we are adhering to strict procedures with regard to our 'face to face' client appointments in order to keep you, our staff and all our families safe.

Please review this process below prior to attending our office. This will enable a more effective meeting within a shorter period which is to everyone's benefit.

Precautions we are taking include completion of a pre-appointment screening questionnaire, the removal of our Reception/Waiting area, temperature checking, installation of a protective screen, provision of hand sanitisers, sanitising wipes, 2m distancing and a Meeting Register should contact tracing be required.

Meeting Procedures

- Please forward any supporting documentation that has been requested for your meeting at least 24 hours prior to your meeting time. This will allow us to prepare for your appointment and to use the allocated time more effectively
- Please complete and return the attached Covid-19 Questionnaire prior to your meeting (a scanned copy is sufficient). For your convenience this can also be completed online at www.howthfinancial.ie/pre-appointment-covid-19-questionnaire
- Please be on time for your meeting to allow adequate time between your meeting and that of the next client(s) for us to sanitise the common areas
- As we have removed our waiting area please call us from outside to let us know you have arrived – we will come out and show you directly into the office for your meeting
- Please use the hand sanitisers provided prior to entering the office.
- You will be temperature checked prior to the start of the meeting. Should your temperature be raised the meeting will be postponed immediately.
